Kid's Summer Camp!

CHAMPION RANCH

The Ultimate Hunting Experience!

www.huntchampionranch.com

Hunter Hogan tells us about his experience at Champion Ranch. "Champion Ranch has a lot of very unique animals, and everyone is very friendly." He also said, "Joel is very good at teaching you about hunting." It is also "fun listening to hunting stories after your hunt."

Hunter's parents, Curtis and Robin Hogan, added this, "As parents, we are actively involved in our kids' academics and athletics, but we have found spending time at Champion Ranch away from the T.V., video games, etc., has been the best one-on-one time with our son. At Champion Ranch, our children have the opportunity to experience life lessons, and among those is hunting. It is important to us as parents to combat any misconceptions about hunting and the 'harvesting of animals'. In our opinion, hunting is the utilization of a God-given resource. We are looking forward to sharing the same experience with our daughter!"

Devin Bynum, age 10, said, "I enjoy going to Champion Ranch. If you start a youth camp, I'd really like to come. I learn a lot of stuff when I go there, and the best part is I have a lot of fun, too."

Devin's parents, Jason and Julie Bynum, added this, "My wife and I would like to take a moment to express our gratitude to you and your staff at Champion

Ranch. Each time we visit your ranch, all our kids can talk about for the next two weeks is when they can go back. Not only is it fun for the whole family, it's educational as well. Our kids have learned so much about all the different exotic species from around the world as well as hunter safety and outdoor etiquette. The accommodations are top notch, and the food is fabulous. Thank you for making each visit a memorable and unique experience that we will always remember. We look forward to our next visit."

BASIC CAMP

Age Group

- Ages 13-17 without Hunter's Certification
- Ages 10-12 when parents feel their child is old enough to stay at an overnight camp.

How Long

- One Week (Sunday – Saturday)
- The campers will have the option to stay an additional week for the Advanced Camp after being certified at the Basic Camp.
